him about their wages. I would urge for adoption of this resolution. I think that it fairly well speaks for itself in terms of what it proclaims and the recognition that it offers.

SPEAKER NICHOL: Senator Marsh.

SENATOR MARSH: Thank you, Mr. Speaker, and members of this legislative body. I rise to strongly support the resolution. We indeed are deeply indebted to the professionals who work with us. We appreciate the effort expended and this is a very small way in which we can say thank you to the professional secretaries.

SPEAKER NICHOL: As there are no other lights on, Senator Fowler, did you wish to close? The question is the adoption of the resolution #55. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of the resolution.

SPEAKER NICHOL: The resolution is adopted. Is Senator Chambers on the floor? We will pass over Senator Chambers motion. Senator Pappas, are you ready on your motion? Would you take it anyway?

CLERK: Mr. President, Senator Pappas would move that LB 134 become law notwithstanding the objections of the Governor.

SPEAKER NICHOL: Just a minute, Senator Pappas. Senator Pappas, if you would...I would like to make a suggestion to you. Since people are still coming in and checking in, I would like to go down and do Section 8 of those A bills to give a few more people time to get here if that would be agreeable to you. If you insist, we will do it now.

SENATOR PAPPAS: I will yield to the A bills and the wise wisdom of the Speaker. Thank you.

SPEAKER NICHOL: Okay. Let's skip down to #8 on General File. We have some A bills that need to be taken care of. Mr. Clerk.

CLERK: Mr. President, the first A bill is 263A offered by Senator Goodrich. (Read title).

SPEAKER NICHOL: Senator Goodrich.
